P02462	Frazier Suction Tip, Teardrop Type, 12FR, Natural Color, Sterile	12.0	9"

Malleable Fraziers

Item No.	Description	French	Length
P02260	Malleable Frazier Suction Tip, Transparent with suction control	14.0	7"
P02308	Malleable Frazier Suction Tip, Transparent with suction control	14.0	9"

Chrome Headlight SlimStrap Hospital

MAX C7-HK

Includes:

Chrome Headlight/Bezel ,
6x LiPo Batteries,
1 USB Wall Charger Set,
1 Carrying Case and
1 Battery Charger, 4-Bay

Xenalight Source

XLT9125

5 Port Turner

Performance:

Xenalight outperforms Xenon, metal-halide, and halogen products with consistent color and brightness throughout the life of the lamp.

Cool Operator:

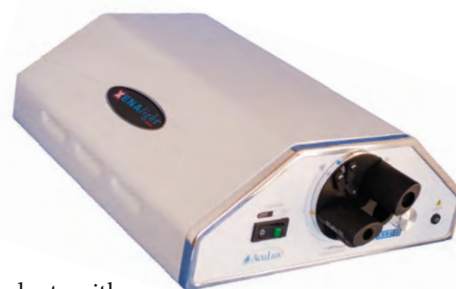

Patented technology allows the case to remain cool even after many hours of continuous use.

Small Footprint:

Its small size and footprint make it ideal for any surgical application including small surgical centers, office procedures, dentistry, podiatry, or cramped hospital operating rooms.

Optional:

AF9125:
Xenalight Floorstand

RFB1075 SurgiLux Headlamp Variable Spot w/ 8' BIF Cable

LiteClip Carrier

LCC1050

10mm x 50mm

Disposable: LiteClip fits many different retractor blades.

Light Carrier: Lightweight, low profile, non-heat emitting, providing greater illumination that floods surgical site with brilliant, white light.

Fiber Optic Cable: Lightweight fiber optic cable with XLG Technology can be used with multiple light sources.

Performance and Safety: LiteClip provides outstanding white light within the surgical site. Increased visual acuity promotes safety and improved surgical outcomes.
